Ms. Breeding received an e-mail from Ms. Danita Kelley stating that in one of the small group sessions led by ADA's Director for State Government Relations, Juliana Smith, the subject of licensure became a focus. Juliana Smith indicated that while ADA is, of course, highly supportive of DTRs, that ADA does not encourage licensure of DTRs. Ms. Kelley stated that since DTRs are a support role to the RD, ADA thinks that only the RD should be licensed.

Ms. Breeding discussed Credentialing DTRs. Ms. Dillman made motion for Mr. West, Board Counsel to research the DTRs scope of practice. Ms. Faith seconded the motion. Motion carried.
